Thursday, October 13
1:00 - 4:00 p.m.

Tuesday, October 18
2:00 - 6:00 p.m.

Monday, October 24
2:00 - 5:00 p.m.

JOB QUALIFICATIONS include:

- Be willing to work evenings, weekends, and holidays, and in winter conditions
 - Enjoy working with and around people in a friendly manner
 - Be willing to learn new skills

Positions are hourly and seasonal, dependent upon weather and snow conditions.
Training will begin in November with regular hours beginning as snow is available.

The Loppet Foundation, a non-profit organization, and the Minneapolis Park & Recreation Board (MPRB) have worked together since the start of the Loppet Foundation in 2002 to create opportunities for area residents to enjoy the trails of Theodore Wirth Park year round. Together we have accomplished great things. Through the partnership, more than 10,000 kids have learned to ski, mountain bike, trail run and paddle -- 8,400 of those kids are from North Minneapolis.

The MPRB has developed a Master Plan for Wirth Park, calling for an area devoted to activities like cross country skiing, trail running, mountain biking and hiking. This area has been named The Trailhead. The MPRB and Loppet Foundation are partnering together towards a shared commitment to world-class outdoor recreation and programming at Theodore Wirth Park.

The first step towards this project calls for winter recreation to be operated by the Loppet Foundation. The Loppet Foundation will oversee snowmaking, ski trail maintenance, ski pass sales, plus operation of the tubing hill and snowboarding lessons at Wirth Park. They will also maintain cross-country ski trails across the Minneapolis park system.

We are looking for great people and hard workers!
