

# 2018 LOPPET FOUNDATION ANNUAL REPORT

## FROM THE EXECUTIVE DIRECTOR

The 2017-2018 fiscal year was a tremendous one for the Loppet Foundation. There were so many moments that made the year great, but one of the most important was also one of the quietest.

In September 2018, the Loppet Foundation formally donated newly constructed The Trailhead building to the Minneapolis Park & Recreation Board. That day marks the official start of 20-year lease and operating agreements with the Park Board--a momentous day for the Loppet Foundation, the Park Board, and the users of the park system. Thanks to the hard work of the Loppet community, our city has a wonderful new asset that will transform how generations of people interact with our park, and become part of the outdoor active lifestyle at the core of the Loppet's mission.

But that was hardly the only exceptional moment! To cite just a few others, this past year, we:

- Opened the Trailhead to the public in July, after a successful capital campaign that brought in more than \$5 million in donations.
- Improved cross-country ski infrastructure in Theodore Wirth Park, increasing the size of the lower stadium, adding more beginner-friendly trails with snowmaking capacity, and creating a total of 6.5 km with snowmaking capacity.
- Hosted skiers from all over the world at the Masters's World Cup;
- Brought skiing and the spirit of the North to the world by creating winter on Nicollet Mall as part of
- Minnesota's Super Bowl LIVE celebrations; Hosted the Midwest Junior Championships;
- Brought Minne-Loppet programming to 11 elementary schools, where more than 1,000 kids learned to ski and love winter;
- Through Loppet Nordic Racing, won another national championship as the best junior ski team in the country;
- Made a successful bid to host a FIS World Cup race in March 2020, the first World Cup race in the United States since 2001;
- Supported 100 Northside Junior Loppet middle-school age athletes in developing a love for an outdoor active lifestyle, and at the same time, developing the very same social emotional skills that are essential for life success.
- Purchased a new facility in North Minneapolis and moved much of our programmatic operations there;
- Sold more Minneapolis parks ski passes than ever before--and had a 146 day ski season, running November 29 to April 23 - 146 days - undoubtedly the longest ski season at Theodore Wirth Park ever;
- Revised the courses for the UCare Tri-Loppet and the Surly Brewing Co. Trail Loppet to finish at the new Trailhead facility;
- Brought Loppet Cycle Works, the mountain bike complement to Loppet Nordic Racing, on board.

- Successfully added a new mountain bike race - the Mount Wirth Loppet; and
- Opened 3.5 miles of new mountain bike event trails - with another 1.5 miles and a mountain bike skills course set to open in the Spring of 2019

And the list goes on... another successful Loppet Festival, with record turnout at the Luminary Loppet. TRAIL KIDS getting hundreds of kids active and outside, all year round. Adventure Camps bringing a week of summer fun to more than 600 kids, a third of them from our North Minneapolis community. Ski Club. Run Club. Ski lessons. Mountain bike clinics...

All that was in addition to the Foundation's usual work. The usual Loppet Festival - with record turnout at the Luminary Loppet. The usual Minne-Loppet program - with eleven schools and over 1,000 students learning to ski through the program. The usual Junior Loppet programs and Trail Kids - with hundreds of youth learning leadership skills, and learning to love skiing, mountain biking, orienteering, paddling and trail running. The usual Loppet Adventure Camps - with over 600 kids served, a third of them from underserved communities. And the usual ski, bike and run clubs - bringing people together around a shared passion for the outdoors. We were, as always, proud to bring outdoor adventure to kids from North Minneapolis and our broader Minneapolis community.

There is, of course, more work to be done. While we exceeded our fundraising goals, we ended up financing about \$2 million in order to complete The Trailhead project. And, we are entering a whole new world as we bring the Trailhead into operation. Securing the bid for the World Cup was only the first step; now we need to plan, find sponsors for, and host a world-class event!

The good news is that we have great staff, an 1,800+ membership base, a 1,500+ group of talented volunteers, strong partners like the Park Board, the City, Cajun Twist, the Department of Natural Resources, the Minneapolis Public Schools, and Velofix, enthusiastic sponsors and grant funders, and now, with the completion of the capital campaign, an invested group of donors who have seen their investments come to life in The Trailhead.

We have always tried to do inspiring work. Now that we have a home base to operate out of and a new warehouse facility to organize our equipment and things, we are poised to do even better work going forward. Thank you for being part of the Loppet adventure in 2017-2018. We look forward to growing the Loppet community on this journey going forward.

See you on the trails!

John
