

Thank You!

FOR SUPPORTING YEAR-ROUND OUTDOOR ADVENTURE

The Loppet Foundation is a 501(c)3 nonprofit that works to create a shared passion for year-round outdoor adventure in the Minneapolis area. From the Luminary Loppet to the Minne-Loppet elementary school program, we want to see everyone in our community outdoors and active — regardless of ability or background.

This year more than 20,000 people will have outdoor adventures with the Loppet Foundation, including more than 1,200 kids from North Minneapolis through our youth outreach programs.

And we couldn't do it without you. Thanks for purchasing your ticket to the Luminary Loppet, and helping us to continue doing great things outside.

This activity is made possible by the voters of Minnesota through a grant from the Minnesota State Arts Board, thanks to a legislative appropriation from the arts and cultural heritage fund.

Getting Around

Luminary Course: 2.1 mi, 3.4 km

Ticket Tent: 

Lake of the Isles:
Registered Participants only
