

## Winter Maintenance Staff

The Loppet Foundation creates a shared passion for year-round, outdoor adventure in the Minneapolis area, focusing on underserved youth and families. The foundation provides quality programming for youth and adults, produces world class adventures and sporting events, and strives to create a welcoming and inclusive community in its operations in Theodore Wirth Park. The Loppet staff are dedicated and energetic individuals who work together leveraging the various aspects of the Foundation to create a whole that is more than the sum of its parts.

The Loppet Foundation is seeking Maintenance Staff for the 2020/2021 winter season. We are looking for staff who exhibit enthusiasm for the outdoors and a desire to produce top notch winter activity conditions. They will report to the Loppet Trails and Operations Director and be based out of Theodore Wirth Park.

### Primary Objectives:

To maintain world class trails for activities like cross country skiing, fat tire biking and mountain biking. The staff also maintains the tubing and snowboarding hills. The Maintenance Staff must be able to work well with volunteers, participants, and other municipal entities.

**Wage:** Meets Minneapolis Living Wage standard (\$16.56/hour as of Jan 2021)

### Tasks:

- Snowmaking
- Grooming ski trails, fatbike trails and tubing hill
- Trail maintenance
- Routine equipment checks
- Work with volunteers on grooming operations throughout the trail system
- Communicate information on trail conditions
- Maintain trails for regional, national and international events

- General snow removal around The Trailhead and maintenance facility
- Provide maintenance and logistics support for events and races

**Other Considerations:**

The Maintenance staff works outdoors for much of the winter in all weather conditions.

The ideal candidates will have a desire for snowmaking and trail grooming, trail maintenance, and will have an interest in safely operating snowmobiles and heavy equipment. S/he will know the trails of Wirth Park and the City of Minneapolis and/or will have a strong interest in learning the layout of the trails. Flexibility is important for this position because plans can change with weather and other factors.

The Maintenance Staff are full time or part time seasonal employees.

During the snowmaking portion of the season (generally December and January), there will be shift work available. The snowmaking process is a 24 hour operation.
